WORK EXPERIENCE

Course Assistant for Lab in Developmental Psychology

January 2023 – May 2023

New York University

Course assistant for undergraduate course covering research methods in cognitive development. I graded assignments, held weekly office hours to meet with students, and helped conduct in-class activities.

(Dr. Moira Dillon)

Undergraduate intern

August 2020 – May 2022

Research in Spatial Cognition (RISC) Lab, Temple University

Helped run experiments and collect data, presented research at lab meetings, and developed a study for an honors thesis.

(PI: Dr. Thomas F. Shipley; graduate student mentor: Rebekah Banerjee)

Student instructor

October 2019 – May 2022

STEM Education Network, Temple University

Reading instructor for students in grades 6-8th at STEM Education summer camps and extracurricular school programs throughout the school year.

RELATED EXPERIENCE

Psi Chi Honors Society – Temple University

Student Government Representative

August 2021 – May 2022

Represented Psi Chi at Temple Student Government events.

Undergraduate Philosophy Society – Temple University

E-board member

August 2021 – May 2022

Organized and led weekly discussions on philosophical topics with other undergraduates.

Temple University Running Club

Student Government Representative, President

January 2019 – January 2022

Organized and led group runs and club events around campus; set up fundraisers and volunteering opportunities with local non-profits organizations.

VOLUNTEERING AND SERVICE

Volunteer with Back on My Feet (BOMF)

January 2018 – May 2022

Helped people who are homeless find educational and professional development opportunities through running and community support by volunteering at events and programs.
